Outstanding weather for our first race of the season. Self graded mass start race. 27 starters. Some new faces and a top day all round. Pretty quick pace for the first race of the season which started to take its toll on laps two and three.

Winners in each grade:

B - Peter Connole + hard earned award for hanging with A grade!

C - Anthony Visser

D - Justin Harper

E - John McMahon.

Thank you to Margy Weston for the TMS and Pam Coe for organising the morning tea.
